NO. OF BENEFICIARIES: 53 (UG FINAL YEAR STUDENTS FROM DEPARTMENTS OF COMPUTER SCIENCE, COMPUTER APPLICATION, INFORMATION TECHNOLOGY, PHYSICS, AND MATHEMATICS)

Nirmala College for Women's Career Guidance and Placement Cell organized a campus drive selection provided by Wipro. The selection was done through an online assessment aptitude test which was held in the physics lab with the UG final-year students from the departments of BSc. Information Technology, BSc. Computer Science, BSc. Computer Application, BSc. Physics, and BSc. Mathematics.

The students received an email with the link to the online test. Additionally, there were 20-question segments on English grammar, logical aptitude, and quantitative aptitude. The students had a total of 60 minutes to finish the exam. Certain rules and restrictions were given to attend the test to make sure that the students were aware of the subjects.

Logical reasoning and quantitative aptitude questions were asked in a tough way, and the grammar-related questions were easy to attend to. All the questions were in MCQ format. Students attended the test on their own laptops in the physics lab altogether. Lab technicians were arranged to help the students with some technical issues while attending the test. The placement officer was monitoring the students throughout the session.
